These NSABP abstracts have been presented since the last time we reported on publications in an email distribution to our sites. Links to abstracts presented at conferences will take you to the Web site of the organizing association or to the journal the abstract appeared in.

If you have questions about any of these publications, please contact Barbara Good, PhD, director of the NSABP's Division of Scientific Publications, at barbara.good@nsabp.org or 412-330-4639.

Note: This listing is found on the Scientific Publications page of the NSABP Web site under the heading “What’s New from the NSABP.”
